15) From the papers it is not clear as to how many quarters and barracks are to be constructed and the number of subordinate staff to be provided with accommodation. It is also not known whether competent sanction has been obtained for constructing these quarters. In para 3 of his letter dated the 7th May, 1957 at page 35/C.F., the ~~Divisional~~ District Forest Officer, Shimoga Division states that the expenditure on the construction of building has to be incurred during 1957-58. It is doubtful whether this can be done within a short time of only one month as the land is yet to be acquired for this purpose. A.&.F.D. is, therefore, requested to furnish its remarks on the points mentioned above, in the first instance.
